

## Job Posting – Athletic Trainer Certified

<b>Job Title:</b>	Athletic Trainer Certified	<b>Date to Apply:</b>	
<b>Department:</b>	Therapy Services	<b>Location:</b>	Sawmill
<b>Days:</b>	Monday – Sunday	<b>Hours:</b>	40 hours per week

**Position Summary:** Provides athletic training services on an ongoing basis in an outpatient ambulatory rehabilitation practice and outreach. The individual in this position performs a wide variety of duties requiring specific knowledge of the clinic policy and procedures and meet the clinic’s professional, clinical, technical, communication and documentation requirements. Makes decisions based on established guidelines.

### Responsibilities/Accountabilities:

#### **Clinical:**

- Assists physical therapists with exercise programs and patient treatments
- Performs rehabilitative modalities under physical therapists supervision
- Collaborate strength training and/or conditioning programs for athletes/patients
- Instructs and counsels patients regarding compliance with prescribed therapeutic regimens and health maintenance
- Delivers patient care in a manner consistent with NATABOC and State of Ohio AT and PT Board Practice acts while under the supervision of a physical therapist
- Takes inventory of supplies and stocks supplies, equipment and linens. Alerts PT Director to purchasing and equipment repair needs. May be responsible for the ordering needs of the clinic.
- Maintains a clean and safe clinical environment
- Assists director in the development and presentation of lectures, clinics and athletic screening programs
- Coordinates maintenance and upkeep of gym/therapy equipment and maintains related documentation for these tasks
- Performs administrative functions as assigned by director

#### **Outreach:**

- Provides emergency response for athletic injuries
- Performs first aid
- Conducts orthopedic and neurological injury evaluation
- Provides orthopedic and neurological injury management
- Makes referrals of orthopedic and neurological injury to appropriate providers/MD
- Schedules patients for musculoskeletal care within Orthopedic ONE
- Communicates with prospective patients about musculoskeletal services provided at Orthopedic ONE

### Education, Experience, and Certification/Licensure Required:

- Possesses bachelor’s degree in appropriate area of specialization with professional experience in collegiate athletics.
- Certified by the National Athletic Trainers’ Association Board of Certification (NATABOC).
- Holds current State Licensure.
- Maintain and provide verification card for CPR certification including BLS/AED training.
