X-Ray Technologist

Department:	Imaging Services	Location:	Gahanna / Reynoldsburg
Days:	PRN	Hours:	Contingent

Orthopedic One is searching for a dynamic individual to join our Imaging Services team as an X-Ray Technologist at the Westerville location. Details about this exiting position are as follows:

Position Summary: This position is responsible for performing diagnostic imaging requested by physicians while following ARRT guidelines, as well as using well maintained equipment and ALARA techniques so as to minimize patient exposure.

Responsibilities/Accountabilities:

- Performs diagnostic imaging as requested by physicians.
- Follows AART guidelines and employs ALARA techniques while taking radiographic images.
- Provides support and coverage of other X-Ray Technologists to ensure all ordered testing is completed.
- Maintains equipment and performs QA to keep equipment in optimal working order.
- Helps patients understand positions required to reduce repeats and exposures.
- Accurately inputs charges for x-rays in the EMR system.
- Notes alerts for concerns to avoid unnecessary exposures.
- Maintains x-ray records and updates patient files in EMR system.
- Keeps all credentials current and in good standing.
- Adheres to organizational policy with particular attention to standards of conduct and to confidentiality as it relates to HIPAA.
- Completes other duties as assigned by the supervisor.

Education, Experience, and Certification/Licensure Required:

- A high school diploma/GED required.
- Completion of an accredited radiography program required.
- AART registration and license to practice in state of Ohio required.
- CRT certification required.

To apply for this posting, please submit your resume and cover letter to careers@orthopedicONE.com or fax to Attn: Human Resources at (614) 386-2090. If offered a position, candidate must be able to pass a pre-employment background check.
