Orthopedic One is searching for a dynamic individual to join our surgical team as a Pre-Op/Post Anesthesia Care Unit Manager at The Orthopedic One Surgery Center at Easton. The primary responsibility of the Pre-Op/PACU Manager is to work closely with administrative and medical staff in coordinating patient care service functions. Details about this exciting position are as follows:

Responsibilities/Accountabilities:
- Participates as a team member in support of total perioperative process.
- Actively involved in maintaining unit budget and cost reduction to include accountability for overtime.
- Supports risk management and participates in programs directed to patient and employee safety.
- Monitors patient care programs and reviews procedures and outcome standards and criteria.
- Monitors the facility’s physical environment and initiates methods for maintaining safety, comfort, cleanliness and orderliness; reports physical environment to status to the Facility Director.
- Communicates effectively with patients, visitors, physicians and co-workers.
- Participates in committees, conferences and quality management activities.
- Organizes orientation and staff development programs to meet identified learning needs.
- Reviews and monitors activities related to infection control policies and procedures.
- Reports observed or suspected safety violations, hazards and policies and procedures noncompliance to the Safety Coordinator or other designated person.
- Responds to emergency situations with competence and composure.
- Prepares daily personnel assignments and delegates duties according to experience and skill level.
- Oversees all nursing activities during an emergency to verify that patient needs are met.
- Other duties as assigned by administrator or delegator.

Education, Experience, and Certification/Licensure Required:
- Graduate of accredited school of nursing, Bachelor’s Degree in Nursing preferred.
- Nursing license in State of Ohio required.
- Perioperative (preop, intraop, postop patient care) nursing experience required.
- Management training and experience preferred.

Please note that the surgery center will open in spring 2016. However, this position will be hired in advance of opening. To apply for this posting, please submit your resume and cover letter to careers@orthopedicONE.com or fax to Attn: Human Resources at (614) 552-2527. If offered a position, candidate must be able to pass a pre-employment background check.
