

CONNECTING PARENTS & COACHES TO CERTIFIED ATHLETIC TRAINERS

Healthy Roster is a **FREE** mobile app connecting **Columbus Running Company** parents and coaches with Certified Athletic Trainers from Orthopedic One. When your child is injured playing sports, help is one tap away!

Healthy Roster Mobile App Includes:

- Access to a certified athletic trainer via chat, voice, or video
- Injury tracking and updates
- HIPAA Compliant – Safe & Secure!
- 1 account for the whole family

To get started using Healthy Roster, download **HEALTHY ROSTER** from the **App Store** (iPhone users) or **Google Play** (Android users) and enter this code when creating a new account: **O1CRC**

Here's how it works:

- If you become aware of an injury at home, you can connect directly with an athletic trainer via voice and video so they can help you understand the best course of action.
- Enter injury information and an athletic trainer will contact you to help you manage a course of action and guide you through recovery.

Another alternative to using the Healthy Roster mobile app is to call the **Orthopedic ONE Sports Injury Hotline**

If you have experienced an injury that does not require immediate attention, would like to schedule an injury consultation, or if you have general questions regarding sports medicine care, please feel free to contact our Sports Injury Hotline. The Certified Athletic Trainer on call will receive messages 7 days a week, and will return calls between the hours of 8:00 A.M. and 7:00 P.M.

This service provides a no cost consultation with an Orthopedic ONE Certified Athletic Trainer. Should an appointment with a physician be required, traditional patient visit costs do apply.
