

REFERRAL RESOURCE GUIDE

Better lives
ONE story at a time.

Welcome to the Orthopedic ONE Physician Referral Guide

Orthopedic ONE is the largest, physician-owned orthopedic surgery practice in Ohio. With 60 physicians covering every area of orthopedic expertise, you can trust us to provide the highest quality of care – no matter how simple or complex the condition or injury may be.

We have a wide range of expertise within our practice, including both surgical and non-surgical approaches to treating orthopedic conditions. Our panel of orthopedic experts include general orthopedic surgeons, physical medicine and rehabilitation physicians, and surgeons with advanced fellowship training in areas of foot and ankle, sports medicine, neck and spine, hand and wrist, shoulder and upper extremity, and total joint replacement surgery.

We represent the region's top orthopedic experts, nearly 100 physical and occupational therapists, and a team of more than 500 caring associates dedicated to helping our patients get better and get back to doing what they love.

This Referral Guide offers a comprehensive overview of Orthopedic ONE locations, physicians and services. We consider it a privilege to treat your patients. Thank you for entrusting us with their care.
